

February Newsletter

Dear Parents,

Catholic Schools' Week will be celebrated on January 29-February 4, 2012. The theme this year is: Catholic Schools: Faith, Academics, and Service. Last week we included a list of activities in the KIT. Please plan to attend. I want to take the opportunity to thank our Catholic Schools' Week and PIE Committees for their help in the planning and funding of these events. Special thanks to Mrs. Matysik and the faculty and staff for their help also.

I believe we have much to celebrate this year during Catholic Schools' Week. Let us keep in our prayers all those schools, faculties, students, parents, and families who have been touched by the restructuring plan of the Blue Ribbon Commission. Let us pray that Catholic education becomes even stronger in the future.

The season of Lent will begin on Ash Wednesday, February 22, 2012. This is a time when we need to prepare ourselves for the Joy of Easter Sunday, April 8, 2012. Easter is about new life. We celebrate Jesus whose light was not extinguished by death but shines brightly because of his resurrection. By virtue of our Baptism, we too share in that resurrection.

The remaining weeks of Lent will take us through the end of winter clear through the beginning of Spring. During this time we need to reflect on the Gospel message and how well we are living up to God's law of love. We shall watch and pray with Christ. We should all do our part.

Our Parish Mission is scheduled for February 25-28. There will be more information in the Church bulletin.

Please review the calendar with important dates and activities on the reverse side .

God Bless,
Mr. Mokriski
