Dear Parents,

Merry Christmas and Happy New Year! I hope your holidays are filled with all the best. Now as we turn to the quiet solitude of winter, we take the time to reflect on where we are and where we want to be. Perhaps our New Year's resolutions will become faded memories in the coming weeks. I suppose we need to be proud for just trying to become a better person. Hopefully, our children will learn the same lesson.

I want to invite you to our Catholic Schools' Week activities during the week of January 29th - February 4th. The theme this year is **Catholic Schools: Faith, Academics, Service**. I am most grateful to the Faculty members and our Marketing/Development Director, Martha Matysik, who have come up with some exciting ideas. Please plan to support these activities. We should all be very proud of our school, our children and their accomplishments. Information about this week will be forthcoming after we return from the Christmas-New Year break.

Our next parent meeting for 7th and 8th Grade students regarding sacraments and catechetical formation is scheduled for Tuesday, January 10, 2012 at 7:00 PM in the Trinity Center information will follow. I will send a reminder e-mail.

Please take note of the calendar information on the reverse side regarding activities and weather-related school closing information.

I want to wish all of you a happy, healthy and prosperous New Year.

God Bless you,
Mr. Mokriski
