

Due to the feedback received we are adding mandated reporter training dates for volunteers and employees. I have attached the updated training schedule. Please distribute the full list to your volunteers and staff so that they may choose the date and location that is most convenient. The deadline for staff and volunteers to attend this training has been extended to December 15, 2011.

All staff and volunteers who have regular contact with minors (Regular contact defined as at least once a week) must attend this training. All paid staff must attend a three hour training and all volunteers must attend a one hour training (this includes lunch monitors). All clergy who have faculties within the Archdiocese of Philadelphia must attend a three hour training.

Any volunteer who 1) will have attended Safe environment training by December 15th and 2) will serve as a volunteer prior to May 31, 2012 must attend the training by December 15, 2011.

To register for the trainings please go to: <http://bit.ly/AOPMandatoryReporterTraining>. Those who do not have internet access can fax the attached registration form to (215) 587-3711. Please do not call the school or parish.

We are currently working to revise the Safe Environment/Protecting God's Children curriculum for all new staff and volunteers to include the updated mandated reporter law and training information.

Please direct all questions to OCYPTraining@adphila.org

Thank you for your continued efforts in creating a network of protection for children.

Leslie Davila,
Director of OCYP
