

“One For the Books”

Dedicate a Book Label Campaign!

Thank you to everyone that supported the Scholastic Book Fair! The Book Fair is a fund raiser to help acquire books for both the classrooms as well as the Media Center. As mentioned previously, an additional part of the Scholastic Book Fair has always been the “One for the Books” donation campaign. This year we have added an additional incentive to donate , by way of the “Dedicate a Book” label program.

For a \$5.00 donation you will receive the opportunity to dedicate one of our new books in the Media Center to a student, teacher or other specific person/group in your name. You will also be able to choose the book based upon a specific interest or subject matter. An official dedication label will then be affixed to that new book and placed in the Media Center collection for years to come. The recipient of the dedication gift will receive a letter notifying them that a book has been dedicated in their name, the name of the book and any special message that you may have wanted. (6 to 8 words). Special Labels have also been created for “In Memory Of” remembrances.

The Dedication can be simple with just the name or you can be as creative and specific as you would like.

A letter will be sent to the recipient (notifying them of the dedication) as well as to yourself to confirm that the dedication was made.

If you have any questions or you would like to request additional labels please email Martha Matysik at martha_matysik@yahoo.com.

All proceeds will go towards the purchase of additional new books for the Media Center!
